### Technology Selustions

ABOUT US

Technoguards Bahrain was incorporated in 2007 and has been providing a wide range of security solutions and ATM solutions; access controls, tracking systems, surveillance systems, traffic controls etc. to Bahrain and Saudi markets. We are certified installer and distributor partners for reputable brands; in CCTV we are partners with Spectator, Bosch, Samsung, KT&C, Sony, Aventura and Axis. Our company is specialized in security systems maintenance, we do whole packages contracts to reduce cost, our company provides all kinds of CCTV solutions, security alarm, asset and transaction tracking systems. In-line with our business solutions, we also have a deducted team in professional statured network cabling and we provide storage systems for date-centers. Our company emphasizes on providing clients with best quality pre- and post-sales services. We provide consultations and solutions to develop work environments to make it better and more comfortable place to work. Technoguards Bahrain is very much committed to provide top quality products and services to the clients.

Our service has been recognized by (Gulfair, MCSC Bahrain, Bahrain Airport Services, Neutel Bahrain, Ithmaar Bank, Al-Salam Bank, Bahrain Development Bank, Al-Dur power company, Fortune Promo Seven, City Center Bahrain Mega Mart, AL-Ghanem Group, Asia Jewelry, kooheji jewellery and much more).

OUR SOLUTIONS

- *Feasibility Study*
- *Consulting & Design*
- *Structured Cabling*
- *Seismic-braced Rack Solutions*
- *Fire Management*
- *Precision Air-Conditioning*
- *Uninterruptible Power Supply*

- *Leak Detection system*
- *Environment monitoring system*
- *Raised Flooring*
- *Lighting System*
- *Access Control , PA & CCTV*
- *Generator Backup*
- *After-sales service & Maintenance*

DATA CENTER SOLUTIONS

TECHNO GUARDS DELIVERS YOUR IT NEEDS

POWERING YOUR POWER NEEDS-
POWERED BY TECHNO GUARDS

Flexible solutions for your business needs

High-end data centers need constant and quality power to run the critical systems when there is a power outage or fluctuation. Critical systems can not rely on ordinary power backup solutions. You need intelligent systems that can also be monitored using SNMP based management systems.

- Indoor UPS
- Modular UPS
- Outdoor UPS (Hardened)
- DC Power Solutions
- Controllers & Communication
- Enclosures
- Inverters
- Batteries
- Solar Power Solutions
- Industrial Chargers

DC Power Solutions:

Suitable for Telecom, Data Center, Broadcasting, Security, Traffic Control systems and Industrial Applications. These are designed to save space and cost:

- Compact Size
- Wide range of AC input
- Dual Front and Back DC Outputs
- DC Distribution Enclosures
- Wide temperature operating range
- System options such as (Rack Structures, Custom Distribution)
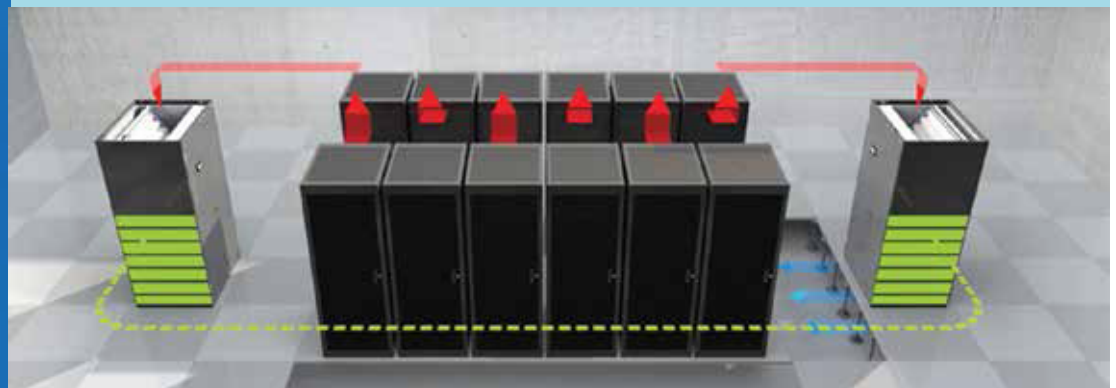

Smart Solutions for Cooling Applications

Precision air-conditioners that guarantee safe working conditions for data centres, computer rooms and other technological applications that require a high level of sensible heat elimination and precise temperature and humidity control.

Our Precision AC Solutions address:

- Large Room Cooling
- Telecom Enclosures
- Data Center Chiller
- Heat Rejection
- Thermal Management Solution
- High Density Modular Data Center Cooling
- Small Room Cooling

Smart Solutions for Fire Management

Techno Guards provides practical and highly effective solutions to meet specific client requirements and has the resources to plan and prepare concepts and detailed drawings for the most complex of integrated systems. This is supported by a dedicated and experienced engineering team.

Our Products:

- Fire Detection
- Aspirating Fire Detection
- Emergency Lighting
- Public Address / Voice Evacuation
- Disabled Refuge & Fire Telephone
- Intruder Detection
- Fixed Fire Suppression
- Portable Fire Extinguishers
- Sprinklers & Water Mist

Our Fire Management Services:

- Planning and System Design
- Equipment Supply
- Installation & Project Management
- System Testing and Commissioning
- Regular Preventative Maintenance

Complimenting Solutions

Our Partners

- Structured Cabling
- Raised Access Flooring
- Racks and Enclosures
- Environment Monitoring
- Leak Detectors
- Telecom Components & Test Equipments
- Lighting Control & Dimmers
- CCTV, PA & Access Control
- Gate Automation
- Queue Management

DOCUMENT MANAGEMENT

Simple EASY Document Management

- Easily store and share documents and other data, including metadata.
- Manage clients, projects, and other data content.
- Integrates directly with the Windows Explorer interface.
- Meta Data Management
- Folder less Storage
- Work Flow
- Mobile & Offline Access
- Electronic Filing
